New Film Features Corrie Ten Boom

"CORRIE: Behine the Scenes with THE HIDING PLACE," a new full-length color release from World Wide Pictures, will be shown at Providence Baptist Church, Red House, on Sunday, September 26, 1976. A single showing is scheduled to begin at 7:30 p.m.

THE HIDING PLACE, a true story filmed in Holland and other European locations, is based on the experiences of Corrie Ten Boom, who, with her father, sister, and brother, provided refuge for coutless Jewish families. A secret room was constructed in their home as a hiding place for use during Gestapo raids. The ten Boom's activities were discovered, and they were sent to prisons and concentration camps.

According to Kenneth Bliss, Director of Distribution fort World Wide Pictures, THE HIDING PLACE has been extremely well-received, both by audiences, and film critics. "CORRIE was produced to give people who have seen the HIDING PLACE or read her many best-selling books an opportunity to hear her share many of her memories about her life in Holland, her family, and her lifetime of service to others.

Bliss added that the film "offers a great lesson in the perserverance of a personal faith in a very dark and trying period of world history. Corrie ten Boom, now in her eighties, has a tremendous vitality, a deep spiritual commitment, and a profound love for her fellowman. We believe we have succeded in transmitting a part of her zest, personality, and source of strength through this film."

Bliss noted that the film includes "interesting sidelights on the experiences of the cast and crew during the filing of THE HIDING PLACE."

The Reverend Hilton F. Moore, Jr., pastor of Providence Baptist CHurch, stresses that the showing of "CORRIE" is open to the public free of charge. "We encourage families to plan to attend together, for what we believe will be a memorable experience," he concluded.

Jaycees Honor Henry Fulcher

The Appomattox County Jaycees have recently honored WFLO Radio announcer, Henry Fulcher by making a donation to the Building Fund of Southside Community Hospital in Farmville, Virginia. This donation came from proceeds realized from the Jaycee Bluegrass Festival held at Paradise Lake this past June.

Moore, Jr., pastor of Providence Baptist CHurch, stresses that the showing of "CORRIE" is open to the public free of charge. "We encourage families to plan to attend together, for what we believe will be a memorable experience," he concluded.

The Jaycees have honored a man "that has exhibited outstanding community service to the Appomattox Jaycees, Appomattox County and all other surrounding communities His love for people and his service to mankind has placed him high in the sights of the Appomattox County Jaycees".

In making the donation of one-hundred dollars to J. B. Towley, Hospital Administrator, Jaycee Danny Simpson was quoted as saying "this is a challenge to all other area civic organizations to make donations to this worthwhile cause in honor of a man that has spent many hours in serving his fellow man. Simpson was also quoted as saying, "the reason the Jaycees selected Southside Community Hospital as a means of honoring Henry Fulcher is because the hospital and its people mean so much to Henry. He has spent many, many hours visiting patients daily at the hospital. He has helped the staff in many areas with the patients. And he has helped the Appomattox Jaycees for the past twenty years without accepting any pay for his services. Henry Fulcher, the Appomattox County Jaycees salute you."

J. B. Towler noted that the donation would help start the hospitals $500,000.00 building fund drive for the 132 bed expansion that is taking place now.

SCHOOL SPIRIT

Spirit is continously growing at ACHS. When other schools look at us, they are envious of our pride in everything that we have done, are doing, and are going to do.

We show courtesy toward teachers, fellow students, and the officials of school athletic activities.

In sports, we have the ability to win and lose gracefully.

We can each better our school by keeping our scholastic and activity standards at the highest possible level.

Be proud of ACHS and show your pride by being a winner in all areas of school life.

ATHLETICS AND STUDENT ACTIVITIES

We encourage your support and participation in the athletic and activities program at ACHS. We hope you will come out for one of the teams and become involved in club activities. Every student should be a Number 1 Raider Fan.

A SHORT HISTORY OF ACHS

This is the starting of our 3rd year in these facilities. Our first year was a very busy one and much was accomplished. With an expanded curriculum, faculty, and other improvements, we are all looking forward to another successful and productive year.

The building, located on approximatley thirty acres, is designed in four wings: Vocational, Athletic, Academic and Auditorium.

As students it is our challenge to continue making exciting history and develop tradition in the school. Working together both in and out of the classroom, our goal will be to make ACHS the best high school in the state of Virginia.
